

THE CATTLE HAVE MOVED!

Hunt Bros., a registered Hereford herd for 50 years, announces the sale of the entire herd to Howard and Son Cattle.

This transaction involves 50 females (35 daughters of HB Horizon 4110, Grand Champion Bull at 1994 N.A.I.L.E.)

Hunt Bros. would like to thank Howard and Son for making it possible for our herd to remain intact since it began in the 1940's.

Contact the Howards for some tremendous prospects they will have for sale this fall
